## Professional goal

---

Freelance data scientist with focus on NLP

## Experience

---

Marek Cichy since 2018  
**Freelance AI Linguist**

- I'm performing various linguistic tasks (validation, categorization, error checking, etc.) on text corpora for one of the leading global companies for NLP solutions.

Marek Cichy since 2012  
**Freelance translator**

- I provide standard and specialized translation (commercial contracts, technical manuals, online portals, plays, novels)
- My clients include : ESKY.PL, Adam Mickiewicz Institute, Audioteka, Lima e Zanette Engenharia Ltda., Tinta Negra publishing house, SkrivaneK sp z o.o.
- Total workload: ca. 4000 standard pages (1800 characters/page)

Marek Cichy since 2012  
**Freelance interpreter**

- I performed consecutive interpretation during a week-long study visit of Brazilian veterinary inspectors in Polish slaughterhouses and meat processing plants.
- I performed consecutive interpretation during the setup, rehearsals and staging of the plays „Julia” and „What if they went to Moscow?” during the 4th „Nowa Klaszka Europy” theatre festival;
- I performed consecutive interpretation during study visits of Polish civil servants in Portugal, as well as on business meetings and audits during official and economic missions of Portuguese and Brazilian entrepreneurs and civil servants in Poland.

Wydawnictwo Mandioca 2016-2018  
**Editor**

- I cofounded the Mandioca publishing house in Poland, specialized in graphic novels and art books from Latin America;
- I translated, edited and promoted Mandioca's publications, such as the *Barras* series by Emilio Utrera, *Picture a Favela* and *Olimpo Tropical* by Andre Diniz and *Ye* by Guilherme Petreca.

Audioteka S.A. June 2012 – December 2016  
**Regional Manager for Portuguese- and Spanish-speaking markets**

- I accompanied the creation and development of Audioteka's Portuguese- and Spanish-speaking mobile audiobook platforms;
- I established and maintained relations with partners (publishers, mobile carriers, phone manufacturers, payment operators, bloggers, etc.) ;
- I translated, localized and tested the platform (website and mobile apps)

Citygames.pl 2011-2012  
**Animator**

- I worked as an animator in urban games organized in Warsaw and surroundings;
- I accompanied English- and Polish-speaking teams of participants during the game, I gave them tasks and evaluated their performance;
- I participated in creating the backstory of the game by acting as one of the characters.

Audytyt SA 2008  
**Translator**

- I translated two reports about the Polish telecoms market from Polish to English.
- Total workload: ca. 100 pages
